

Amazing Elf Adventure Online Scavenger Hunt

MCM Scavenger Hunt Intro Video

[Opens with elves running frantically around the room. It appears as if they are looking for something i.e. looking on top of and under furniture, crawling on the floor looking, etc. One of the elves notices “you” and runs up to the camera]

Elf 1: Oh, thank goodness you’re here. We need your help! Some of our elves have gone missing and we need all hands on deck for this crazy holiday season! But because we want you and your family to stay safe, we need your help from home in finding our friends!

[Other elves stop looking and join at camera]

Elf 2: We’ve taken videos of our workshop and other rooms throughout Amazing Elf Adventure showing you every nook and cranny so that hopefully you can help us find all of our missing elves.

Elf 1: With the help of the Muncie Children’s Museum, each week in December, we will post 2 videos on their Facebook and Instagram account, with one missing elf in each. Then, with your parents permission and help, comment the time stamp that you found the elf. Do your best not to peek at other family’s comments so that you continue to challenge yourself!

Elf 2: Our online challenge will kick off after we visit DWNTWN Muncie’s First Thursday on December 3rd and we will post our last video on Christmas Eve. If you and your family have commented on all 8 videos on either Instagram or Facebook, you will be entered into a holiday drawing to win an extra Christmas present!

Elf 1: Thank you for all of your help! We’re going to get back to looking!
